- Modern day home
- Colours to the left are just map legend
- Textures, colours, shapes, design of the furniture will be decided by 3D artists' imagination
- 3D artist is free to decorate walls as they see fit (paintings and alike)
- 3D artists if free to add furniture to their liking
- A realistic woman body will be placed on the bed, representing the dead wife. It will be only visible on first and last loops.
- Cellar will be filled with cellar stuff.
- Lightning will be placed on the ceiling represented by:
- Light can be toggle-able by switches

Light emitters can be modern looking chandeliers or else. 3D artists will decide the looks.

## Windows

Nothing is visible only blackness.  
Character will comment about it.

Colours will be decided by 3D artists.
